Dear Parents & Carers,

Re: Nursery closure

It is with a heavy heart that under government guidance the nursery will be closed from 6pm on Friday 20th March until further notice.

We are hoping to offer childcare to those children of frontline workers as required (eg NHS and health care staff, delivery drivers, food supermarket staff etc). To help us identify if you fall into this category, please speak to your nursery manager with your job role and what hours you may need childcare for. These roles are yet to be fully defined by the government in the coming days.

We will keep you updated with any more information as and when we have it.

We will be rolling out a home learning scheme to help you to continue to support your children's development at home. You will be able to access this through your child's tapestry account and via email.

We thank you for your continued support during this difficult time and for working with us to ensure everyone is kept safe.

Kind Regards

Kiddiecare Nurseries
